A. Pricing - Each vendor may set his or her own prices. Prices should be set in keeping with customer satisfaction and consideration of other market vendors.

B. Grievances - While we encourage direct lines of communication between vendors, any serious grievance regarding the actions or prices of the other vendors should not be directed to the vendor in question. The initial grievance should be reported to the Market Manager who will

bring it to the attention of the Board of Directors. The Board will determine if a special meeting needs to be called to settle a grievance.

C. Each vendor is encouraged to provide scales of demonstrative accuracy, display racks or tables, sacks or bags, money for change and to post prices in full view of the consuming public with lettering and signs being limited to the assigned vendor space.

5. Electronic Benefits Transfer (EBT) System

The AFM will operate an EBT system for selling food products to any holder of a Supplemental Nutrition Assistance Program (SNAP) debit card and for an additional service for the use of Credit/Debit cards for any purchases made at the market. The system utilizes a wireless card scanner for the transfer of funds from a users card into an AFM checking account in exchange for wooden tokens valued at \$1 each.

“Green” stamped \$1 wooden tokens will be provided for the SNAP transactions with matching dollar for dollar token donations from Wholesome Wave, Georgia. The wireless card scanner will be available, also, for credit and/or debit cards for the purchase of “blue” stamped \$1 wooden tokens (minimum of \$10 per transaction with no matching dollars). At the end of each market, authorized AFM vendors will be reimbursed by check from the AFM account for all tokens collected at the market.

The green tokens may be spent only at the AFM and only for the purchase of food as defined by the USDA SNAP guidelines. Violation of these guidelines including providing cash change from the purchase is not allowed and is considered fraud under Federal law.

6. Market Operations

A. 2023 Market Schedule - The Athens Farmers Market **Winter Market** will be open each Saturday from January 7th, 2023, through February 25, 2023, from 8AM until 12 Noon, at Bishop Park in Athens, Georgia. In case of severe weather, the market opening time may be delayed or canceled. The Athens Farmers Market **Main Season Market** will be open each Saturday from March 4th, 2023, through December 16th, 2023, from 8AM until 12 Noon, at Bishop Park in Athens, Georgia. In case of severe weather, the market opening time may be delayed or canceled.

The Downtown Market will be open each Wednesday from March 8th, 2023 through November 15th, 2023, from 5pm until 8pm, at Creature Comforts in Athens, Georgia.

B. Tents and Foul Weather Markets - All vendors assigned to a parameter space of the Pavilion layout may set up a tent (10'X10' white EZ-up or equivalent) on any Saturday morning designated as a Foul Weather Market or to provide shade if assigned to a space on the east side of the pavilion. The Market Manager will notify the market vendors no later than Friday, 6:00 PM of a Foul Weather Market. Rear tent curtains are recommended for Foul Weather Markets and for shade.

All vendors at the Downtown market are required to set up a 10'X10' tent in their assigned space unless a tent is provided by CCBC.

If the Market Manager feels the tent is not in display quality the vendor will have one week to fix the problems. If not up to display quality a vendor may be turned away until proper conditions have been reached (at approval of the market manager). Tents must always be safely secured from unexpected weather events with a minimum of 20 lb weights securely attached to each leg.

C. Protective Footing for all Display Gear – For the Saturday AFM, all tents, tables and other display gear must have footing attached or placed to separate the gear from and to protect the surface of the Pavilion court surface. The type of this footing is at the discretion of the vendor but the Market Manager may make a final judgment as to the required utility (protection of the Pavilion surface) of any footing material(s). When setting up for a Saturday market care should be taken to avoid damage to the Pavilion court surface.

D. Stall Appearance – All vendors are responsible for their own supplies and materials including a 10x10 canopy tent (if outside the pavilion), tent weights, tables, and inclement weather protection. Vendors are responsible for keeping their booths clean, presentable, and professional. Booth set up must not be hazardous to the public or other vendors. Vendors must remove all trash and food scraps, including discarded leaves and foliage, at the end of market.

All vendors should have clean and presentable booths, including table cloths, signs advertising products, and signage noting business names. Spaces should be free of food debris and trash. Products should be displayed in an attractive manner. Vendors should have a clearly visible sign designating the name of their farm/ business. If the Market Manager feels vendor display is not up to standards the vendor will have one week to fix the problems. If not up to display quality a vendor may be turned away until proper conditions have been reached (at approval of the market manager).

E. Vendor Product Disclosure - The AFM requires vendors to truthfully represent their products and operations. Because type of product and cultural practices are important to our customers, when applicable, vendors must attach signage to their tents specifying that not all products qualify as “Certified Organic” or “Certified Naturally Grown” by listing all non-qualified ingredients. Copies with the required information must be submitted with all Food Purveyor and Meat, Egg and Dairy Vendors’ Applications. The market encourages vendors to engage their customers in discussions about their operations and products.

F. Parking – During operating hours on Saturday mornings, AFM Vendors must park all vehicles in the Bishop Park parking corridor beyond the loading/unloading area.

G. Behavior - Inappropriate language or behavior, profanity, or other harassment or abuse by a vendor or participant toward another vendor or participant, employee, or customer of the market is grounds for immediate and permanent expulsion from the market.

I. COVID-19 Market Policies: AFM will continue to monitor the COVID-19 pandemic locally and continue to follow the COVID-19 policies as set forth in 2020. Please refer to the COVID-19 Policies on the website as they may be updated over time.

7. Market Manager

The AFM will employ a Market Manager, whose duty shall be fully defined in the “Market Manager Job Description” and include managing the EBT system, collecting daily fees, assigning market spaces, supervising the market and other duties assigned by the Board. The Manager will be responsible to the Board and report any violations of rules to the Board. The

Manager will be the final authority on the day of Market. Objections to decisions or actions by the Market Manager may be appealed to the Board for later consideration.

8. Violation(s) of Vendor Rules

A. Vendors may sell only their own products as per the By-Laws and Operating Policies of the AFM. The resale of any products that are not grown or produced by the vendor in the area as defined in the By Laws is forbidden. Violators of this rule may be expelled from the market without refund of any fees. Vendors wishing to return to the market following expulsion must apply to the Board of Directors for re- admittance.

B. The market management reserves the right to inspect any vendor's farm by appointment. This may include random inspections. The primary purpose of a farm inspection will be to determine whether the vendor is producing all that he or she is selling at the market and is following natural and sustainable standards. Upon notification, the vendor must make all production areas available within three (3) days.

Refusal to allow inspection is grounds for indefinite suspension. A decision regarding the inspection must be rendered six (6) days from completion of inspection.

C. The Market Manager has on-site authority to enforce all Rules and any contractual or legal obligations AFM has entered into. This may include, but is not limited to, requirements for site lease established by the Unified Government of Athens-Clarke County, requirements for membership, site insurance established by Georgia State Farmers' Market Association, and any other requirements established by federal, state and local regulatory agencies. During Market hours or within one hour of market opening and closing, the Market Manager may convene an ad-hoc Rules Committee [consisting of a minimum of three Board Members] to interpret Market Rules in relation to a specific situation.

D. The AFM reserves the right to cancel the privileges of any member who in the opinion of the Board of Directors has violated the rules governing the market. Fees will not be refunded.

9. Taxes
